ins Under Wraps and Breaks the Track Record-Crack Sprinters Meet in Six Furiong Handleap-Scorpio Wins by a Length From New York and Roue.

NEW ORLEANS, March 11 .- The track was lightning fast at the Fair Grounds this afternoon. One track record was lowered and another equalled. The Messenger, in the fifth race, lowered the mile and a half record to 2:33 4-5, and did it easily. It was not much of a field that opposed The Messenger, and he had things all his own way when let down. Mauser was the pacemaker to the head of the stretch, but when Walsh gave The Messenger his head he raced to the front in a hurry and won under wraps by two lengths. Mauser easily downed Free Admission for the place. The Messenger was run up to \$1,085 by Billy Walker and bought in by his

owner, A. Bellew.
The interest of the day was centred in the six furiong handicap. The race was marred to some extent through the send-off. There was a long delay at the post, which was due to the bad acting of Scorpio and New York. Roue and Scorpio were off running, while New York and McGonige were practically

eft at the post.
Scorpio managed to get home in front with

CRESCENT CITY DERBY TO-DAY. Six Horses on the Card for Big Race -Capt. Brown's Auditor Favorite.

NEW ORLEANS, March 11 .- The winter seeting of the Crescent City Jockey Club will end to-morrow afternoon, when the Crescent City Derby will be run. The Derby the principal fixture of the racing season in this city, and from present indications it will result in a horse race from end to end. Six are carded to start. Their weights with

Auditor will go to the post favorite for the race. He was breezed this morning, and travelled a mile in 144 with weight up, swinging. Auditor was shipped here from Memphis, and is owned by Capt. S. S. Brown. He has the speed, but there seems to be some doubt whether he will last out the distance, which is a mile and an eighth. Trainer Tucker expects the son of Esher to make a runaway race of it. He is of the opinion that he will open such a gap that the others will never get to him.

Ostrich, who will be the second choice,

h, who will be the second choice Ostrich, who will be the second choice, has shown up exceptionally well in his private and public trials, and his trainer, Frank Lightfoot, says that it will take a mighty good horse to beat the son of imported Order. Rainland has any number of admirers, even though he was beaten by a maiden yesterday. His trainer and owner, Mose Goldblatt, was brimfulof confidence to night over the chances of the son of Rainbow. Hicks will have the mount on Rainland, and Goldblatt figures that the race is as good as won, as Hicks in his opinion is by far the best finisher and judge of pace here.

Vestina Belle, a maiden who has never started, will carry the hopes of plunger Ellison. It was the intention of Ellison to start King Croker and Vestina Belle in the Derby, but the former bowed a tendon yesterday in his final trial.

Conkling, from the stable of H. T. Griffin, is the "dark secret" of the race. No one knows anything about histrials. He has been prepared at the Oskland track and has been prepared at the Oskland track and has been prepared at the Oskland track and has been prepared all winter for the Derby. His owner, H. T. Griffin, on account of the Sweet Pepper incident, was prevented from giving a public trial to the son of Masetto. Those that have Conkling in charge have refused to-night to give out anything concerning his condition. The Derby, in all probability, will be run over a lightning fast track, and probably will be the fastest Derby ever run over the Fair Grounds course. The entries for the other races follow:

Talk of Changing Date of McCoy-Placke Match.

Owing to the fact that April 1 falls on Good Friday, an effort is under way to change the Friday, an effort is under way to change the date of the match between Kid McCoy and Henri Placke of Holland to March 25. They signed articles to box six rounds at Philadelphia on April. 1. Clark Ball, the American manager of Placke, said yesterday that he will not agree to March 25, but is satisfied with April 8, a week later. He says that the foreigner is not as yet in trim to go against a man like McCoy at so short a notice. "Placke is confident of whipping McCoy," continued Ball, "In fact, he has already authorized me to match him against Bob Pitzsimmons if he beats McCoy." This will be Placke's first appearance in America in the ring.

GOSSIP OF THE RACETRACK. Jockey Shaw Reports to Trainer Bure

at Bennings.

Turimen were glad to learn yesterday that Jockey Club stewards had reinstated Willie Shaw, but there was a feeling of regret that little L. Smith was still kept under the ban. Smith was set down for a poor ride on Merry Acrobat, one of J. P. Dwyer's horses, at Morris Park two years ago. No specific charges against the jockey were ever made public, but many owners and trainers have maintained ever since that Smith was innocent of wrongdoing. Shaw and his valet arrived at the Bennings track late Thursday night, in time to receive the welcome news from the Jockey Club. Shaw will get to work with Trainer W. P. Burch, working the latter's big string, including the horses of F. R. Hitchcock, for whom he will ride this year, it is said, in addition to H. B. Duryea. Shaw has been taking excellent care of himself all winter,

John J. Ryan, the "get-rich-quick man, who has also been reinstated by the Jocke Club, in view of his restoration to good standone of the fort Erie Jockey Club, is also in Washington, so it was reported along Broadway yesterday. Ryan has been running a big poolroom in Hot Springs this winter, but has not enjoyed much success, it is said. He way yesterday. Ryan has been running a big poolroom in Hot Springs this winter, but has not enjoyed much success, it is said, He was notified some time ago, it is reported, that he would be allowed to operate on the Metropolitan tracks this season, but he was also informed that under no circumstances would his former plunging tactics be permitted. Ryan says that he is well satisfied to come back to the New York tracks cleared of the old charges, and that he will take care not to offend the turf authorities again. The Western Jockey Club has not yet lifted the ban against him, but Ryan has powerful influences at work in his favor and expects to be "set right" in Chicago very soon.

H. T. Griffin has shipped his stable to Bennings, but he will not be permitted to race there until the Jockey Club has thoroughly investigated the Sweet Pepper, affair, for which he was banished from the New Orleans track. If the Western Jockey Club sets aside the New Orleans ruling, it is probable that Griffin will be allowed to race here, but just at present the Western body is not favorably disposed toward him.

Endurance by Right, the noted mare, for whom the late W. C. Whitney paid \$35,000 as a two-wear-old, has just foaled a bay coit by Hamburg at La Belle Stud. This is the most valuable foal dropped there this year, Mr. Whitney having paid \$60,000 for the famous sire. Endurance by Right, is by Inspector B., dam imp. Early Morn, and was brought East in 1902 by John W. Schorr. She was the winner of many stakes but soon after Mr. Whitney bought her she was stricken with influenza at Westbury and was later retired to the stud.

and says he will begin riding at Washington.

VIRGINIA BEACH AUTO TESTS. Club and Association Officials and Racing Men Leave for Inspection.

On the steamship Monroe, which left New York at 3 o'clock yesterday afternoon, a party of about two dozen automobilists left for Virginia Beach with the object of testing the low tide sand there and to decide if it is fit for the trial tests of the international cup race cars and for other racing.

The party represented the Automobile Club of America and the American Autonobile Association and the racing interests and was in charge of Lee Straus, representing the Virginia Beach Automobile Club, which was the host of the occasion. Eight cars, four of foreign and four of American make, had been sent ahead for the use of the party at the Beach to-day, to-morrow and Monday.

visitors will arrive at Norfolk, to-

Monday.

The visitors will arrive at Norfolk, today and will proceed at once to the Beach where the cars will have preceded them. To meet the visitors a distinguished party of Virginians will be at the Princess Anne Hotel, Virginia Beach, including Gov. Montague, Mayor Riddick of Norfolk, Sylvanus Stokes, Charles H. Consolvo, Norfolk, Thomas G. Leath, H. M. Reinhard and W. G. Neal of Richmond, Va.

No attempt at record making will be made, as all the machines are ordinary touring cars. The tour trill probably cover the entire length of the Beach, about eighty miles. To note the effect between tides, it is probable that several trips will be made.

Among those in the party were: A. R. Scarritt, president of the Automobile Club; Harlan W. Whipple, president A. A. A.; S. M. Butler, secretary, A. C. A.; C. H. Gillette, secretary A. A. A. Augustus Post, A. C. A.; F. A. LaRoche, A. D. Proctor Smith, Alexander Fischer, E. T. Birdsall, C. G. Wridgway, L. N. Nutt and J. Tracy.

The Virginia Automobile Club will be represented on the trip by Messrs, Alfred Chandler, president, C. E. Lent and Lee Straus, secretary-treasurer

BOXING AT WORLD'S FAIR. Amateur Bouts for World's Championships Scheduled.

Chairman James E. Sullivan of the national championship committee of the A. A. U., Powell from St. Louis and Second Basehas called a meeting of the national committee to be held at the New York Athletic Club on next Saturday evening, to arrange for the different championships which will be held at St. Louis. The following members of the committee will attend: Walter H. Liginger, Milwaukee, Wis.: James E. Sullivan, chair-man, New York: John J. O'Connor, St. Louis;

man. New York: John J. O'Connor, St. Louis; Edward E. Babb, Boston; Harry McMillan, Philadelphia; Bartow S. Weeks, New York; T. F. Riley, North Cambridge; Dr. George K. Herman, Chicago, Ill.

Mr. Sullivan has had so many requests from all sections of the country for Olympic boxing championships that the department has decided to devote one week in September to amateur boxing in order to bring together the amateur boxers of the world, so that the question of who is the real amateur championship can be settled. This will give the Englishmen a chance to try their experts with the American youngsters. The A. A. U. amateur boxing championships are to be held in Boston this month, and the committee will arrange to have all the winners enter and try for the world's honors. The rules of the A. A. U. will prevail and each bout will be limited to four rounds. There will be no brutal work, as the A. A. U. rules will not permit it. The most expert amateur judges and officials of this country will be selected to pass upon the merits of the aspiring youngsters. Many believe this will be one of the most popular feature of the Olympic games.

Owen Ziegler Knocks Out Jack McKenzie. Owen Ziegler has evidently recovered night at Philadelphia he knocked out Jack McKenize in three rounds. The two were McKenize in three rounds. The two were to have fought six rounds at catchweights. Ziegler from the start jabbed and hooked his right to McKenzie's face, but could not connect with his opponent's jaw. In the third these blows began to weaken McKenzie and with a well directed blow on the point of the chin McKenzie was put to sleep. Ziegler after the bout issued a challenge to box any welterweight in the ring.

Decker Whips Ryall.

George Decker, the Philadelphia featherweight, who recently met Eddie Hanlon of San Francisco, defeated Lew Ryall of New San Francisco, defeated Lew Ryall of New York in a fierce six round bout at Lancaster, Pa., on Thursday night. Decker never gave Ryall any breathing spell going after him with all his force. In the first Decker missed a vicious swing and fell from the force of it. In the fifth and sixth rounds he hammered Ryall hard and had him going when the bell sounded.

DATE OF AMERICANS OPENING MAY BE SETTLED TO-DAY.

Candidates for Herrmann's Place Being Named-Brooklyns Go South on March 20-Make-up of the Team-Boston and New York Americans Compared.

Whether the New York Americans will change the date of their opening game in this city to April 13 to avoid a clash with the New York-Brooklyn National League game at Washington Park on April 14 will probably be decided to-day after a conference between Treasurer Frank Farrell and Ban Johnson, president of the American League, who will arrive in town from Wash-

ington this morning.

If a majority of the American League clubs decide that such a change is advisable. will be made. C. H. Ebbets of the Brooklyn club, however, made the statement yes-terday that the opening date of American League Park would not be changed, and he inferred that there was no legal way by which it could be altered.

When Johnson gets here to-day he will probably have something to say regarding Herrmann's statement that exhibition games at Ridgewood were not discussed at last Sunday's conference at the Waldorf-Astoria. Sunday's conference at the waldorf-Astoria.
It is now a foregone conclusion that Herrmann will not be chairman of the National Commission again, that is, if peace is to reign between the two big leagues. The American League will insist upon having a non-partisan chairman, in view of past experiences. A. G. Mills, F. K. Stearns, L. C. Krauthoff and James E. Sullivan have been mentioned as possible candidates for the place.

place.

Pulliam's declaration of war has been received with merriment all along the line.

Here is what a former National League magnate who lives not far from Philadelphia

ceived with merriment all along the line.

Here is what a former National League magnate who lives not far from Philadelphia says of it:

"How can the National League go to war when the Boston Club has already lost \$100,000 in two years; when the Philadelphia Club has just assessed its stockholders at the rate of 10 per cent to begin the season; when the St. Louis Club is \$58,000 in the hole because of unpaid back salaries and money advanced for new players; when the Brooklyn Club had to sell Dahlen to New York to make up a loss; when Chicago and Cincinnati have both gone on record as being anxious for peace at any price? There will be no war unless the American League declares one. Then there will be a panic and Pulliam will be called down."

Manager Hanion will leave here with the Brooklyns for Columbia, S. C., on March 20, where they will remain for ten days, after which they will come back to Washington Park for a series of exhibition games.

The team will be made up of Doyle or Dillon on first base, and if the latter makes good there, Doyle will go to second base; Strang, third base; Babb, shortstop, with the outfield to be selected from Sheckard, Nadean, Van Buren, Dobbs and Gessler. The pitchers are Garvin, Cronin, Jones, Reidy and Poole, and the catchers are Berger, Ritter and Jacklitsch. Jordan, McCormick and Loudenslager are the extra men, Jordan being slated for second base if Doyle is placed on first again by Hanion. This is the weakest Brooklyn team, on paper, that has represented Kings county in the National League since the organization of the club, but Hanion is a wizard with young players and the work of the team will be watched with interest.

Elmer Flick, the big hitter of the Cleveland Americans, has just signed a contract. Pitcher Red Donahue still remains outside the fold, having refused so far to accept a cut in salary. Capt. Lajoie says the American League race this year will be close, with Cleveland, Boston and New York fighting it out at the wind-up.

Frank Selee's Chicago Nationals ar

wind-up.

Frank Selee's Chicago Nationals are shapv. ing up at Los Angles. Selee never makes
predictions, but baseball sharps in the Windy
k. City expect great doings from his sprightly
men. Selee has made several deals during
the winter that appear to have strengthened
his team wonderfully. He has a fine lot of
pitchers and catchers, a fast infield and outfield and a wealth of strong batsmen. It is
a well balanced, well managed combination
le in every particular and the prophets say that
Pittsburg, New York and Cincinnati will
have to hustle.

The wise men are already comparing the
Boston and New York Americans. One
of them picks the two teams to pieces this
way: "Boston has the best catchers, It
is a stand-off in the box. New York has
the best of it with Ganzel on first and Elberfeld at short, while Boston is superior with
Ferris at second and Collins at third. In
the outfield, New York has a big advantage
with Fultz and Keeler, while Boston is master
in the left field with Dougherty."

The Philadelphia Nationals, after playing
Kid Gleason at second base all last year,
have Just purchased his release from John
T. Brush.

New York Americans at Practice. ATLANTA, Ga., March 11.-Pitcher Jack man Williams, Pitcher Hughes and Catcher McGuire from Hot Springs joined the New York Americans here to-day. The entire team is now on hand, except Chesbro, who is teaching the Harvard men how to shoot,

teaching the Harvard men how to shoot, and Catcher Kleinow, whose father died the other day in Milwaukee.

To-day's arrivals did not put on suits, but all the others had profitable practice morning and afternoon. The weather was delightful, and the day's work for a starter pretty stiff. The players got their fill of batting and fielding practice, and, though tired at the end of the day, enjoyed the work thoroughly.

All hands were lively, Elberfeld and Ganzel especially so. Anderson fitted in nicely in left field and Unglaub played second base in Williams's absence. He gets over ground rapidly and easily. Fultz, Elberfeld and Conroy hit the ball on the nose in the batting practice, though, of course, Puttmann and Bliss, the pitchers, only tossed them up. A hot bounder bit Bliss in the calf of the leg and raised a big lump. The first regular exhibition game will be played on March 18 with Atlanta.

Spring Practice of the New York Nationals SAVANNAH, Ga., March 11.-McGraw's team will play its first practice game to-morrow afternoon with the local Y. M. C. A. team, which is the strongest baseball aggregation in this part of the country. It will be strengthin this part of the country. It will be strengthened, too, by the acquisition of one catcher and three pitchers from the New Yorks. The weather was not quite favorable for spring training to-day, but there was no cessation of activity because of its interference. While on the field the leader kept his men hard at work because of the danger of colds from momentary idleness. After the game with the Y. M. C. A team to-morrow, the Gotham team will shift its training quarters to Birmingham, Ala., where it will remain until March 29 and play five games with the local Southern League Gub.

Irish Games at the Garden To-night. The Greater New York Irish A. A. game

In the fifty yard dash Arthur F. Duffy, who recently made such a wonderful record for the distance in Washwonderful record for the distance in Washington, will figure on the scratch mark and he will have distinguished company at the post of honor in D. J. Torrey of Yale.

The ten mile A. A. U. championship entries include all the distance men of note. Joyce, last year's winner, and Borhag, the two mile champion, will be among the starters, as will E. P. Carr and T. J. Kennedy Yale has sent the strongest entry for the meet and the sons of Eli expect to do great things in the relay race. A notable starter in the mile handicap will be Tommy Pierce, a fifteen year old brother of the noted family of Indian pedestrians. John Fianagan will attempt to create new record figures in throwing the 56 pound weight with two hands from stand.

Jack O'Brien Gets Decision Over Mike

When Schreck crouched, his favorite position O'Brien would swing his right to the jaw O'Brien would swing his right to the jaw, straightening Mike up. In the fifth round O'Brien landed a stiff one on the left optic of his opponent and before the fifteenth round was finished that eye was completely closed. The only round which was Schreck's was the second, when he landed a left swing on the point of O'Brien's Jaw, the ropes alone saving O'Brien from a knockdown.

In the second half the Wanderers braced up, and when the game was nearly over were leading by one goal. A scrimmage occurred near the Wanderers' goal, and Hayward foolishly left his post, and while he was away from the net Bowie scored.

The game was free from roughness and off sideplay, and was a particularly fine one to watch, each side giving pretty exhibitions of team work. The Victorias started off with a rush, and Patrick scored twice before the Wanderers seemed to find them-selves. Hayward, for the home team, was in fine form, and but for his good work the Victorias would have seored many more

Clarke made the first goal for the Wander ers, sending a hard shot from the centre of the rink, which landed right in the net. M. Hornfeck was forced to retire soon after the game began. His injured arm hurt, and his brother, H. Hornfeck, took his place. The first half ended with the score 5 to 3 in favor of the Victorias.

In the second half Hardy was put off the ce for tripping, and while he was off Tom Howard gave a rare exhibition of fast work Re scored on a pass from Hornfeck. BILLIARDS.

Foss to Play Rerolle in Paris for World's Amateur Championship.

Wilson P. Foss and Rerollé, the French the world's championship at 18-inch balk line at Paris on March 28. Arrangements were perfected for the meeting of the pair yesterday, and Foss, accompanied by a per-sonal friend, will sail for the French capital on the Kaiser Wilhelm II. next Tuesday.

This match is the outcome of an offer made by Foss a few days ago, in which he agreed to go to Paris to meet the French expert at his own expense, and give his share of the his own expense, and give his share of the net receipts for some charitable purpose. The proposition was unusual and attracted considerable attention, so that the Brunswick-Balke-Collender Company took the matter up and on Wednesday telegraphed to their agent in Paris as follows:

Foss will play leading French amateur billtardist in Paris twelve hundred points, three nights, 18-inch, two shots in, for suitable emblem, between March 25 and April 5, public hall, net receipts to charity, Foss paying his own expenses.

Rerollé, the French amateur champion, is the best player of his class in Europe, and the American will have no easy task in winning. But of late Foss has been playing some great billiards, and in a practice game with Slosson a few days ago made a high run of 147, using the 18-inch balk line. In games of 300 and 400 points he averaged as high as 80. One of his best performances was 615 points in six runs. Foss is the undefeated A. A. U. champion and holder of the \$1,000 cup emblematic of the championship. His idea in going abroad is to create international interest like the professionals. A magnificent prize will be presented to the winner of the Parismatch. Mr. Walter G. Douglas defeated J. M. Millette in last night's game in the amateur handicap 14-inch balk line tournament, and his winning constitutes a triple tie for third place between Millette, Douglas and Servatus.

COLUMBIA DEFEATS CORNELL.

Local University Wins Basketball Championship With Clean Score.

Columbia defeated Cornell in the concluding basketball game of the intercollegiate series in one of the most sensational games ever seen in the local gymnasium. Encouraged by their previous nine victories in the championship series, the Blue and White's players entered the contest with too great confidence.

They were soon awakened from their idea

of an easy victory by the whirlwind play of the up-Staters, who took the lead in dermined fashion and shot goal after goal with as great ease as if they had practiced the Columbia gymnasium throughout At half time the Cornellians were in the

At half time the Cornellians were in the lead, but in the final period, with about ten minutes to go, the local players woke up and scored the marvellous total of 34 points in the remaining time. The final score stood 49 to 13 in favor of Columbia.

O'Connell, Fisher and Trubenbach were a team in themselves, making 31 of the Columbia points between them. Hurley, the bicycle champion, played a splendid game, tallying 6 field goals in fast succession.

The play was singularly free from roughness. This game marks Columbia's tenth victory and gives her the championship, with a clean record for the season. Lyford and Miller of Cornell did notable work for the Ithaca team.

N. Y. A. C. Wrestling Championships.

The annual wrestling championships of the New York A. C. were held in the club's gymnasium on Thursday night. There were five classes—125, 135, 148 and 158 pounds, and a heavyweight class—and some very clever mat work was witnessed by the present. A feature of the night was the excellent work of Frederick Narganes, who secured titles in the 145 and 158 pound classes. His opponent in the final of the heavier class was A. O. Schramm, whom he threw in 5 was A. O. Schramm, whom he threw in 5 minutes 28 seconds.

Narganes did not throw F. Cochran, whom he met in the 145 pound class, but was deciared the winner on points. In the heavy-weight class Marshall Page won on points from R. E. Larenden in the final. H. P. Baxter won first honors in the 125 pound class and H. Jaeckel, Jr., won in the 135 pound class.

Cornell Defeats Columbia at Fencing. ITHACA, March 11.—Cornell defeated Co-lumbia here to-night at fencing by the score of 7 to 2. Two of the nine bouts ended in ties at first, and most of the others were closely contested. A professional exhibition bout between the instructors of the contesting teams, Prof. Audraud of Cornell and Prof. Murry of Columbia, proved the interesting feature of the evening. The two professional swordsmen fought out a long and lively contest, and after destroying several foils were forced to quit on even terms

Belief That Sunday Bieyele Racing Will Be Revived at Vallsburg.

VAILSBURG, N. J., March 11.—It is generally believed that with the change in officials which came with the borough electionthis week and a change in sentiment on the part of some Sunday bicycle racing on Vailsburg board track will be revived this season and the contests held as of old. The season and the contests held as of old. The late Mayor Maybaum, unswerved by the powerful pressure that was brought to bear on him to allow Sabbath sports on the track, broke up the practice last spring. Probably a large license fee will be exacted, but it is said that a majority of the Common Council will vote to allow the sport.

During the campaign just ended neither the candidates on the Taxpayers' nor the Citizens' ticket touched on the bicycle ques-
